

Governor Mike DeWine  
Director Dorothy Pelanda

Department of  
Agriculture

Lt. Governor Jon Husted

Ohio Agriculture Conservation Initiative

We are pleased to announce that the Ohio Agriculture Conservation Initiative (OACI) website has gone live and makes registration quick and easy for H2Ohio Program participants. Simply visit <https://ohioaci.org/> to complete your enrollment and profile. If you have questions about the process, contact OACI Project Leader Nikki Hawk at 419.852.2615 or [Nicole@ofswcd.org](mailto:Nicole@ofswcd.org).

Please review the notice below and acknowledge by signing and returning to Nikki Hawk by email or hard copy ([Nicole@ofswcd.org](mailto:Nicole@ofswcd.org) or 8995 E. Main Street, Reynoldsburg, OH 43068) or to your local Soil and Water District representative.

*I agree to complete the enrollment profile with the Ohio Agriculture Conservation Initiative by March 31, 2021. If ODA receives funding for future years of H2Ohio programs, I understand that OACI certification will be a condition for receiving funding in future years.*
